

# Cures Talk

"Cures talk" in favor of Hood's Sarsaparilla, as for no other medicine. Its great cures recorded in truthful, convincing language of grateful men and women, constitute its most effective advertising. Many of these cures are marvelous. They have won the confidence of the people; have given Hood's Sarsaparilla the largest sales in the world, and have made necessary for its manufacture the greatest laboratory on earth. Hood's Sarsaparilla is known by the cures it has made—cures of scrofula, salt rheum and eczema, cures of rheumatism, neuralgia and weak nerves, cures of dyspepsia, liver and kidney troubles, catarrh and malaria.

**Such Cures as This Prove Merit.**

"My little nephew was a plump and healthy baby until a year and a half old, then sores broke out behind his ears and spread rapidly over his head, hands and body. A physician said the trouble was scrofula humor in the blood. The child became one complete sore. We had to restrain his hands to keep him from scratching the sores. We were induced to try Hood's Sarsaparilla, and in a short time he had more life. He improved rapidly, his skin became entirely clear of sores and he is now a healthy child." Mrs. FLORENCE ANDREWS, Clearfield, Iowa.

## THE DEFENSE IS OPENED

(Concluded from First Page.)

the reductions before they went to the meeting in the company room. The impression the witness received from Capt. Good's talk was that the Government had reduced expenses at the wrong point.

Heard Capt. Good speak of the riot drill as a "sailor drill." Never heard any strong language in connection with it.

Private Berry told about the meeting the company's room, telling about the same story as given in former testimonies. Witness had never heard defendant criticize the riot drill, nor speak disrespectfully of the Colonel. Never did hear defendant say anything that could be construed into a disrespectful reference to the Colonel. Was with the Company on July 4th, but did not hear the blast on Miller street. Witness received the impression that the Government did not appreciate the extra services of the men before Capt. Good ever referred to the matter. When Col. McLean read the order he stated that reductions were made as a retrenchment measure. Witness said that at that time he was dissatisfied and thought Capt. Good struck it about right when he said the Government did not appreciate the services of the soldiers. At present he held much the same view, but was now satisfied.

Witness had served three years and three months in the United States Army.

At 10:25 the court adjourned to 7:30 this evening.

### SUNDAY BOATING.

Healan's Spend a Forenoon in Unusual Activity—New Men.

George Harris' big barge party for Sunday morning failed to materialize, but Healan's in a large number gathered at their house and had one of the best boating sessions in the history of the club. The two training shells and a four-oar sliding seat boat were out at one time and several new men were tried. Timber lately acquired includes David Dayton, Jr., the ball player, A. L. Morris, who has rowed before and Albert Cunha, who did well in the sliding seat boat, though the seat was a trifle small for him. A crew is to be formed of Cunha, Frank McStocker, A. V. Gear and "Jack" Winter, with Dan Mahuka as coxswain. After the rowing was over Sunday there was swimming for an hour. New life is getting into the club and a number of members are determined that a good showing shall be made at the September regatta.

The Myrtles have let up on practice for a bit just now, but Capt. Crane will doubtless see that his crews go to the starting point in good form. The addition to be built to the Myrtle house will greatly improve the quarters of the popular club.

Such is the verdict of all those who have tried Seattle Brewing and Malt-ing Co's. product.

That is certainly not desirable.

## Ripans Tabules

Mr. J. H. Moon of Harrisburg, Ark., is a justice of the peace and also owner of the Samson Stump Extractor for the State of Arkansas. He had never noticed the advertisements of Ripans Tabules, and had no knowledge of them, to quote his own words, until "I read on the slate from Spirit Side. I then got one of our druggists to order some of them. I received the box of Tabules by mail, which I have taken according to directions from the Spirit Side, and must say that it is one of the most wonderful medicines for liver and stomach that I ever saw. I wish these tabules were in every family."

"(Signed) J. H. MOON."
